

Compensated Opportunities
for Youth Network

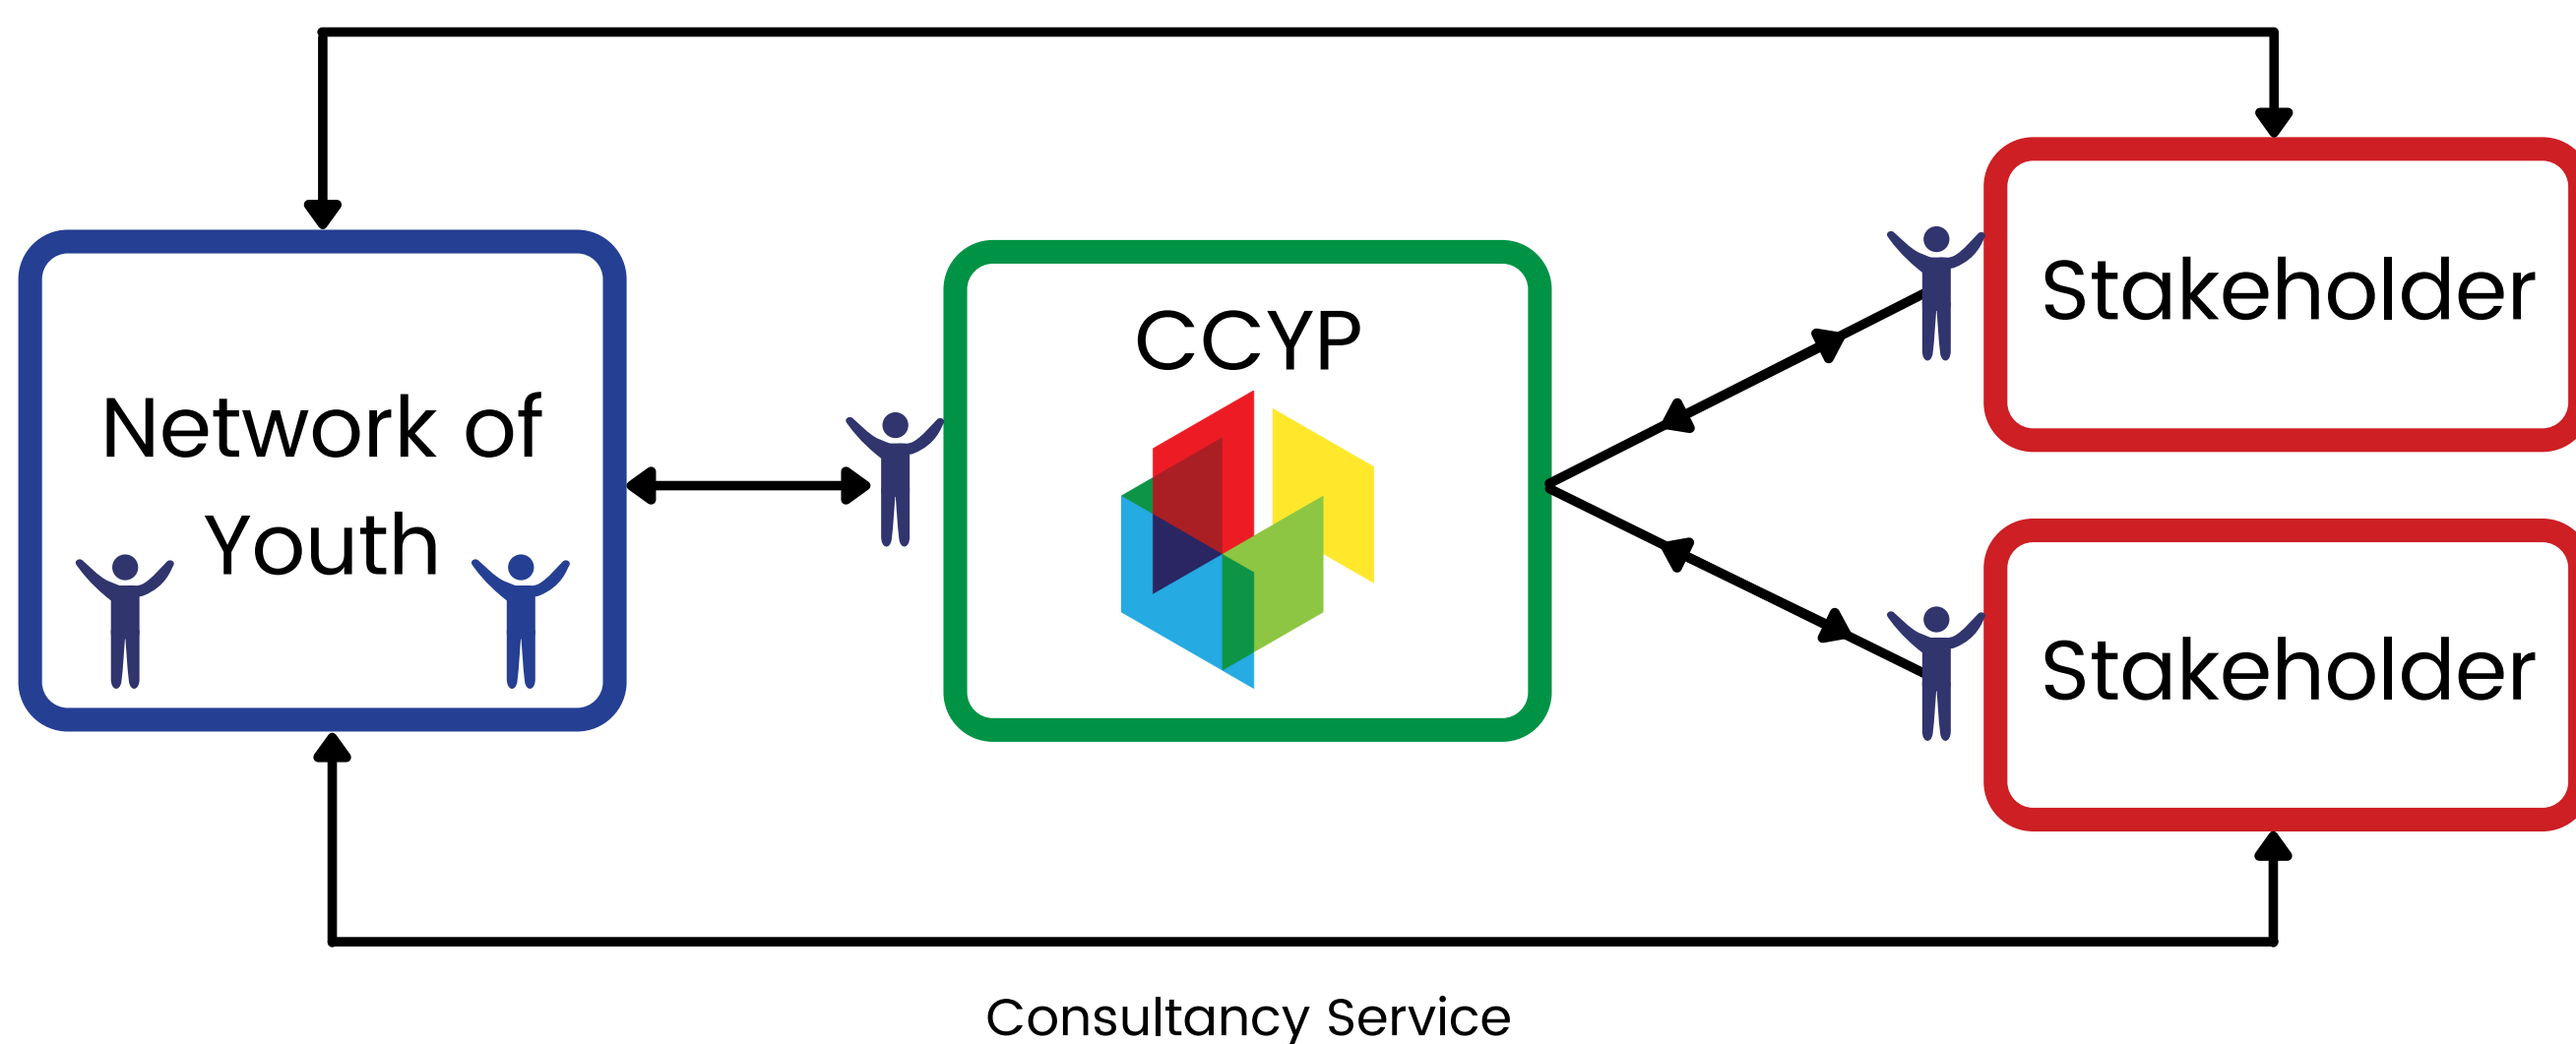

Our Mission

Build mutually beneficial partnerships between stakeholders and young professionals.

Give young professionals the opportunity to illustrate their unique experiences, insights, and expertise while supporting stakeholders in accomplishing their strategic vision.

Creating partnerships that will foster sustainable and innovative change, ultimately transforming the future of Canada's workforce ecosystem.

How will it work?

What are the benefits?

For you as an organization

- Develop youth-informed policies, practices and programming
- Gain insights on current industry trends
- Work towards a more inclusive and equitable workplace
- Adopt more innovative and collaborative strategies
- Welcome the future labour force into your organization
