

Youth-Friendly Language

Q. What is youth-friendly language?

A. Youth-friendly language exists on a spectrum. However, it can be characterized as language that is clear, accessible (accommodates youth of all ages and abilities), and inclusive.

.....

Q. Where can my organization/business use youth-friendly language?

A. Youth-friendly language can be used everywhere! For example:

- Job postings/trainings
 - Conversations with youth
 - Youth events/gatherings
-

Q. Why is youth-friendly language so important?

A. Using youth-friendly language makes it easier for your organization/business to better convey your goals and ideas to a youth audience. This can promote better youth engagement and retention.

.....

Q. How can CCYP support my organization in its efforts to develop youth-friendly language?

A. You can access [CCYP's Youth-Friendly Language Resource Bank here](#). In this bank, you will have access to research, documents, websites, trainings and more!
